## ACCESS TO THE FORUMS

You will need to have an account on <https://ostst.aviso.altimetry.fr/> to enter the forums in order to see the presentations and ask questions to the authors.

**You don't need to have submitted an abstract to access to the forums.**

If you don't already have an account, click on "Subscribe" to create and set-up your account.

Sign in to your account:

[Forgot your password?](#)

A "FORUMS OSTST" menu will appear on top of this page, click on "FORUMS" in the pull-down menu:

You can then navigate to the forum you want to enter (organized by [splinter's name](#)):

## HIERARCHY OF THE FORUMS

The forums are organized by [splinter's name](#) (session) and inside each forum, you will see all the contributions (the examples below are from OSTST 2020). You can then click on one contribution to see all the previous exchanges and post your question to the author:

### Event level:

The screenshot shows the 'FORUMS' page for OSTST 2020. It displays a list of subforums with columns for 'Sessions', 'Presentations', 'Posts', and 'Last post'. Each row represents a different session, such as 'OSTST Opening Plenary Session', 'Application development for Operations', 'CFOSAT', 'Coastal Altimetry', etc. The 'OSTST Opening Plenary Session' has 11 presentations and 15 posts, with the last post by Pascal Bonnefond on 19.10.2020 at 19:03. Other sessions like 'Salient results from the 2017-2020 OSTST Pls' have 38 presentations and 0 posts.

Sessions	Presentations	Posts	Last post
OSTST Opening Plenary Session	11	15	19.10.2020 19:03 by Pascal Bonnefond
Application development for Operations	12	0	
CFOSAT	6	0

Welcome to the forum!

Thanks Laurent!

The splinters' forums are available during the entire week (19-23 October 2020) on <https://meetings.aviso.altimetry.fr/>

The description of each splinter can be found here: [https://meetings.aviso.altimetry.fr/fileadmin/user\\_upload/tx\\_ausylcseminar/files/OSTST2020/splinters-OSTST2020.pdf](https://meetings.aviso.altimetry.fr/fileadmin/user_upload/tx_ausylcseminar/files/OSTST2020/splinters-OSTST2020.pdf)

Details on how to use and how to access are provided through the FAQ (will be continuously updated): <https://meetings.aviso.altimetry.fr/forums-frequently-asked-questions.html>

Hope this helps and do not hesitate to contact us if you encounter any troubles.

Pascal Bonnefond - Observatoire de Paris - SYRTE
